AMENDMENT

Dear Sir:

This communication is responsive to the Office Action dated August 5, 2004. A petition for a one-month extension of time is enclosed herewith. Kindly enter the following remarks:

REMARKS

1. Claims 1-36 are pending and stand rejected. Reconsideration of this application is respectfully requested.
2. Claims 1, 3, 7, 13, 15, 19, 25, 27 and 31 stand provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1, 5 and 9-12 of copending Application No. 09/793,035 (the copending application). This rejection is respectfully traversed because the Examiner has failed to state the differences between the inventions defined by conflicting claims, and the reasons why a person of ordinary skill in the art would conclude that the invention defined in the claim of the present application is an obvious variation of the invention defined in the claim of the copending Application.
